AUSSIE GMP PUMPS ENGINE DRIVE ... 3 YEAR PUMP WARRANTY

Tanker special,
B3XRA GX390

AUSTRALIA'S
BEST
TANKER PUMPS

Aussie GMP 2", 3" and 4" self priming centrifugal engine drive pumps designed for high and low pressure operations.

Semi trash versions feature big open impellers, non clog design, silicon carbide mechanical seal, stainless steel wear plate and large front opening port to permit cleaning without pipe work disconnection.

Ni Al bronze & cast 316 stainless steel options also available, see separate spec sheet.

These heavy duty pumps are suitable for a wide range of industrial and agricultural applications.

Features

- Heavy duty cast construction
- Big open impeller
- Self primes from 6 metres
- Front mounted clean-out port
- Available with either Honda petrol or, Yanmar or Hatz diesel drive units
- Stainless steel base plate
- Silicon carbide/alumina mechanical seal faces with nitrile rubber seals standard on cast iron trash pumps
- Stainless steel wear plate

Benefits

- » Long, trouble free life
- » Pumps solids in suspension
- » Ready to pump in minimum amount of time
- » Pump clean out without dismantling pipe work
- » Tried and proven with established service networks throughout Australia and the world
- » Stable, easy to install
- » Wear resistant for longevity
- » Protects pump from wear, cuts operating costs

Applications:

- Industrial waste pump out
- Livestock effluent pump out
- Dust suppression
- Tanker pumps
- Fire fighting
- Sump pumping
- Mineral processing
- Quarry dewatering

Rejuvenation kits...

Contain gaskets, mech seal, counterface & complete check valve to make servicing these pumps a breeze.
