

# JETTER JACKPOT

Plumbers tell us these are the advantages of a drain cleaning jetter over conventional mechanical devices ....

## 1. FASTER

Eel/snakes ... up to 8 hours per choke  
Jetter .... 30-45 mins per choke  
(clear more per day)

## 2. CAPABILITY

Eel/snake ... max 20-30m effective reach  
Jetter ... reaches up to 60m  
(120m with mini reel)

## 3. SAFER

Eel/snake ... contaminated, rotating rods  
require manipulating  
Jetter ... hose contained in drain

## 4. SMARTER

Eel/snake ... can damage drain pipe,  
material left in drain  
Jetter ... flushes debris as it clears,  
pipes to 8" & larger

Check out Oliver Parkers  
'Drain Addict' videos on  
You Tube to see just how  
fast & effective jetting is
